They're two important people.
Don't mean they're growing old!
But a 50th Anniversary shouldn't go untold.

There will be a family gathering
And they will be the stars.
So please plan to come and bring your family to join with ours.

Our Parents

We sat at the graveside,
Warm tears ran down our face.
We wanted bad to see them,
But there was not a trace.
It's almost a year since Daddy
Ventured on alone,
He really missed our mom
And came back to take her home.
Our lives are very lonesome,
We miss them both so much,
Sometimes we feel their closeness,
And long to feel their touch.
Daddy tried to hang on,
He didn't want to go,
Didn't want to leave our mom
He loved that lady so!
She went up to his casket,
Put her hand upon his face,
Her feeble little body,
Wanting Daddy to embrace.
But now up there in Heaven,
There's a smile upon their face,
I'm sure that great reunion
Still is taking place.
So Mom and Dad in Heaven,
Watch over your family, I pray.
And help us all prepare
For that great judgement day.

We love and miss you very much.

Love, Your Family
